

BRAT POUR

OUR MONTHLY FOCUS ON A SINGLE PRODUCER'S WINE

Envínate (aka wine-yourself) is the brainchild of four friends who met while studying oenology. Their work is currently focused on exploring the ancient, Atlantic-infused terroirs of Ribeira Sacra, the Canary Islands, Extremadura, and Almansa. Their philosophy is simple: let each single parcel fully express itself through old-fashioned farming and wine-making methods. Táganan is the old local name for this rugged vineyard area, located on the northeastern side of Tenerife, where vines are planted on primary volcanic rock on cliffs just above the Atlantic. This wine is a blend of many different native white varieties, which are vinified separately, with some parcels undergoing skin contact. A truly unique and characterful wine, deliciously salty and smoky with refreshing acidity.

SHERRY

While Sherry is often ignored by the larger wine-drinking populace, we at Brat believe it is one of the most complex wines in the world, even an entry-level fino from a great producer shows an astoundingly nuanced and multifaceted character. In today's market where many of the world's finest wines have become prohibitively expensive, sherry still represents one of the wine world's great bargains, as well as being one of the most versatile wines when it comes to food.

UNDER THE FLOR

Flor is the mysterious layer of yeast that lies on top of some Sherry wine while they age in barrel, Fino and Manzanilla spend their entire maturation under flor, whereas Amontillado and Palo Cortado begin their lives under flor being exposed to oxygen once it breaks. These differences make for a diverse and delicious range of sherry styles. The flavours imparted are unlike anything else in the wine world, saline in character with notes of seaspray, almonds and mediterranean herbs.

Maestro Sierra, Fino <i>Jerez, Spain NV, 750ml</i>	48

Emilio Hidalgo, Amontillado Viejo 'Tresill 1874' <i>Jerez, Spain NV, 750ml</i>	143

OXIDATIVE

Sherries that are aged with gentle and controlled exposure to oxygen in the absence of flor are typically richer in texture, displaying flavours of walnuts, leather, bitter chocolate, and exotic spices.

Lustau, Oloroso VRS, 'Emperatriz Eugenia Solera Gran Reserva' <i>Jerez, Spain NV, 500ml</i>	49
Equipo Navazos <i>Oloroso (PX), 'La Bota 74'; Montilla, Spain NV, 750ml</i>	101

PX & MOSCATEL

Sweet fortified sherries are among the most decadent dessert wines in the world, often made using grapes dried in the sun to concentrate their luscious flavours.
